For your convenience an initial supply of bottled water will be available in the property.

Driving on the Estate

Most of the roads on the Estate are not strongly built and require a lot of very expensive maintenance. They are very easily damaged, especially during wet weather or when frost is coming out of the ground in the winter or spring. Please only use the Estate roads to get to and from your holiday cottage. All the non-metalled vehicle tracks are for use solely by Estate Staff as they go about their work.

Estate tracks should not be used by private cars or 4 x 4 vehicles except for direct access to cottages or in an emergency. The Scarnoch Road across Abergeldie is especially vulnerable to damage and should not be used as a route between Easter Balmoral and Alltnaguibhsaich, the Spittal of Muick or Loch Muick.
