Continue up this steep hill for 1km to gain the summit and Prince Alberts Cairn (aka The Pyramid).

Walkers can retrace their steps to the car park or descend down the other side of the hill to gain a land rover track. Turn right at the land rover track then proceed downhill for three hundred metres to a junction. Bare right at this junction and then follow this track downhill to a wooden gate. Keep proceeding through the wooden gate and keep walking downhill to Easter Balmoral and leave the Estate the same way you entered.
